

## MEDICAL ASSISTANCE APPLICATION

### Income Information

It will help Med-QUEST process your application faster if you attach copies of your income documents such as a pay stub, Social Security award letter, retirement income statement, or other income proof.

### Request for U. S. Citizenship, Alien Status, and Photo Identification Documents

Federal laws now require more information to process your application. The lists below are examples of documents you can give us. Please attach one copy of a citizenship or alien status document and one copy of photo identification for each person in your household who wants medical assistance.

If you need help completing the Med-QUEST application, please call 211 (free call from all islands) and ask for an outreach worker near your home. Also, the address and phone number for your local Med-QUEST office are on the last page of the application.
