

Sage PLUS Program

Sage: Represents a wise and knowledgeable person. **PLUS:** Is an acronym for (People Learning about and Understanding the System). Sage PLUS is a program serving people with Medicare and Medicaid, their families, caregivers and soon to be retirees.

There is no charge for this service.

Trained Sage PLUS volunteer counselors offer information, assistance, counseling and referrals for Medicare, Medigap, Medicare Advantage and other related senior health insurance options. Presentations are also offered for community organizations, senior clubs and other interested groups.

This program is sponsored by the Department of Health, Executive Office on Aging, through a grant from the Centers for Medicare & Medicaid Services. This publication has been created or produced by Hawaii with financial assistance, in whole or in part, through a grant from the Centers for Medicare & Medicaid Services, the Federal Medicare agency.
